REQUIREMENTS

Can be requested by

- **Educational establishments:** for school and university students from formal education institution accompanied by their teacher / professor (a maximum of two teachers / professors are allowed).
- **Cultural associations / organisations** regardless of the nature of the group.
- **Tourism professionals.**
- **Friends of the museum.**

Reservation

- The guide may only book a single time slot (either for the permanent collection or a temporary exhibition) during which the guided tour will take place. If another space is required on the same day, availability must be confirmed at the museum's Information Desk on the day of the tour.

Maximum number of people per group

- **Maximum number of people allowed per visit: 8 participants and 2 guides/teachers/companions** in permanent collection and temporary exhibitions.

Maximum guides per group

- A guide (maximum of 2 per tour).
- A teacher / professor (maximum of 2 per tour) accompanied by the students of his/her educational establishment. Status proof must be accredited with valid documentation at the Information Desk before the visit begins.

Group tour guide system

- **The use of a group tour guide system (a microphone and receiver) is required** both during tours of the permanent collections and of our temporary exhibitions except for Primary and Secondary schools group visits. The museum provides a micro-receiver rental service (€1 per receiver) for groups that do not have such a system. For touristic groups that have booked the reservation on the Professional Channel, micro-receivers will be provided free of charge. At the start of the tour the person in charge of the group will be responsible for explaining how to use the micro-receivers and at the end of the tour he/she must collect and return them all to the Audio Guide Desk from which they were collected at the start of the tour. The devices will be delivered clean and disinfected.
