

REGULATORY BASES OF THE #VERSIONATHYSSEN COMPETITION (9th EDITION)

ORGANIZED BY THE THYSSEN-BORNEMISZA COLLECTION FOUNDATION WITH
THE COLLABORATION OF THE COUNCIL OF CULTURE, TOURISM AND SPORTS OF
THE REGION OF MADRID AND ART EXPLORA FOUNDATION AND THE
SPONSORSHIP OF THE COCA-COLA FOUNDATION,
AND OF THE SPECIAL AWARD "FUNDACIÓN COCA-COLA"

1. PRESENTATION

The Fundación Colección Thyssen-Bornemisza, F.S.P. (hereinafter, the "Foundation"), with the collaboration of the Council of Culture, Tourism and Sports of the Region of Madrid, of Art Explora Foundation, and with the sponsorship of Coca-Cola Foundation, calls a contest aimed at creators in order for them to freely reinterpret works belonging to the Permanent Collection of the Thyssen-Bornemisza National Museum (hereinafter, the "Museum") and obtain the necessary rights over the six works that, in the opinion of the Selection Committee, are the best reinterpretations due to their originality and quality artistic (hereinafter, the "Contest").

The six works of the Permanent Collection of the Museum that the participants will have to choose to version are included as an Annex to these bases.

Likewise, the object of these regulatory bases is the special contest "Fundación Coca-Cola" that will be organized by Fundación Coca-Cola, which will award a financial prize to the work chosen as the best of all those presented in the four editions of #VersionaThyssen scheduled for 2021 (the "Special Contest").

2. CALENDAR

During the year 2021, there are four planned editions of the Contest. The first of them will be open from April 16 until May 16. The dates of the following editions will be published when they are determined.

At the end of the four editions, a Special Competition will be held to select the best work from among all those submitted to the four editions of the Competition.

The winning works will be announced and exhibited on the museum's social media, in a streaming broadcast held for this purpose, on a date yet to be determined and which will be made public on the website of the Museo Nacional Thyssen-Bornemisza (www.museothyssen.org) as well as on the Museum's Instagram profile (@museothyssen) once the contest is closed. In addition to the awarded works, the museum will be able to show a selection of works that account for the plurality and quantity of the submitted works, chosen applying the evaluation criteria specified in point 10.

Notwithstanding the foregoing, the Foundation may hold an event at the museum on the occasion of this edition of #VersionaThyssen, in which the winning works would be announced and shown, along with others that account for the plurality and quantity of the proposals presented. The celebration of this event would be announced on Instagram and the museum's website at least 15 days in advance.

3. REQUIREMENTS OF THE PARTICIPANTS

People from 16 to 35 years old may participate with their works, of any nationality and from any country, with no further requirement than the contribution of their own work, guaranteeing that it does not violate the rights of third parties and on which they have all the rights for their assignment in favor of the Foundation if they are awarded. Works carried out by more than one person (artistic groups or collectives) will be admitted to the contest, in which case the prize indicated in section 6 will be shared among the members of that group.

The presentation of a work that covers different works of Annex I is allowed, as well as the presentation of more than one work by artist. In the latter case, each work will be scored independently.

In the event that the participants are legal entities that present themselves as holders of intellectual property rights and are not the material authors of the works presented, they must document both the authorizations and the mandatory transfers of rights made in their favor by said author.

In the case of persons under 18 years of age, only those who send the Foundation, duly completed, **an authorization signed by their parents or legal guardian** to that effect, may participate. The authorization model can be downloaded at the link <https://www.museothyssen.org/en/concurso-versionathyssen>.

In addition, the participant authorizes the Foundation to exhibit the work that they make in the framework of the streaming broadcast (or, where appropriate, during the event in person at the Museum), on a date yet to be determined, on the occasion of this edition of #VersionaThyssen.
