BOOKING PROCEDURE

AVAILABILITY

We can only guarantee availability once you confirm your booking, but if you are interested in the quote provided, we will block your date in the calendar on request.

RESERVATION

Both a deposit of the 25% of the price as well as the signature of a contract, in which all details of the event are outlined, are necessary to make a reservation. The remaining balance will be paid 10 days after the event.

CANCELLATION

If you cancel your event less than 15 calendar days before the date, there will be a cancellation charge of 50% of the venue hire fee.

OUTDOOR SOUND

For the use of sound outdoors, a special permit has to be obtained from Madrid City Council. The museum will arrange this but requires at least 40 days' notice of the event and you will need to provide a detailed description of the sound equipment and elements that will be set up. We can't guarantee that the city council will grant permission, and if it is granted, the outdoor sound must not exceed the level stated in the permit.

SIMULTANEOUS USE OF VARIOUS ROOMS

If various rooms are rented at the same time, the full rate for the main room will be applied, plus the minimum rate for the associated room(s). The "main room" is understood here as the one with the highest rate of rental of those rented.
